Dear Manuel:

I leave tomorrow for Europe where I will see my show, BLACK NATIVITY, which has been touring Europe since last July, do a bit of writing and visit Tel Aviv, Rome, Paris, and a few other cities. I have sent your play, MANGALONGA, EL LIBERTO, to Jose Quintero who is director of Circle in the Square here in New York City, he and Jose Ferrer are the only American directors who read Spanish. I cannot locate Ferrer now although I think he is in Hollywood and not very active these days in the theatre.

Congratulations to you on all your success. I am delighted. With cordial regards,

Sincerely yours,

Langston
